

Mark your calendar for these special alumni and career networking opportunities. More information will be available on our website as the date approaches:

October 13, 2016, 5:00-7:30 pm, Frist Chemistry Building

STEM Meet-UP

Alumni and professionals in STEM fields or with STEM backgrounds will be available to meet with MOL and other stem majors in an informal setting. These alumni may not be actively recruiting but can provide insights into career paths.

October 14, 2016, 10:00 am-3:00 pm, Dillon Gym

Science and Technology Job Fair

Employers who recruit MOL BIO majors attend this event.

For more information please contact MOL BIO student services at 609-258-9455.
